GREETING

from Pastor Bill Wyatt, National Director CSM

GOD SAID, 'SET MY PEOPLE FREE'

Jesus had a hearts desire to set the oppressed free. Those oppressed by sin, sickness and darkness of soul.

Isaiah the prophet wrote (58:11),

"the Lord will guide you continually, and satisfy your soul in drought, and strengthen your bones; you shall be like a watered garden, and like a spring of water, whose water do not fail."

Today the ministry you are involved in remains just the same. The good news hasn't changed and Christs' power given to all disciples remains the same. The discipling process is the same and more and more people are entering in to their greater freedom and healing of relationships. As we understand the inheritance though Christ, our intimacy is made more real.

You all are playing such a mighty role with Cleansing Stream Ministries in helping people enjoy their new found freedom. Hundreds of

Melbourne Retreat July 2005

testimonies are coming into us, expressing great joy and expectations of even greater victories.

As a partnering church or a team member it is you our Lord is using to unable people to enjoy their Christian life.

God bless you all.

Cleansing Stream Ministries National Director

TESTIMONY

Melbourne Retreat - South Eastern Christian Centre - 17-18 June 2005

The Melbourne Cleansing Stream Retreat was a powerful time of worship, prayer and encouragement as the Lord touched and healed many lives forever.

Those who were at the retreat will recall that the Lord moved in such a tremendous way, responding to the hearts cry of His people as they joyfully praised and worshiped, and eagerly awaited His healing in their lives.

The time of Testimony at the end of the retreat was extended due the excitement of what God had done throughout the weekend.

Our Newsletters in the future will feature testimonies of those who have given CSM permission to publish them. Other testimonies will also be shared on our website. So stay tuned...

Issue No 2 will tell you of how God touched our friend at the Melbourne Retreat July 2005.
