## GREETINGS

from Pastor Bill Wyatt, National Director CSM

**SEVEN WORDS FROM THE CROSS.** These sayings of the dying Saviour form an important part of His self-disclosure. Taken together, they reveal the great strength and beauty of His character and indicate in two instances the extent of His spiritual and physical distress. In all there were seven sayings.

For many the number 7 means "spiritual perfection." This year is 2007, Jesus Christ your Lord and Saviour is able to bring spiritual and physical healing to all of us. I feel the promise of God is He is going to bring great healing, working into us Christ's spiritual perfection, yes, in 2007!! We are excited and are looking forward to serve and partner with you and your church.

*God Bless You*

## POWERFUL TESTIMONY

Brisbane Retreat - Bridgeman Christian Outreach Centre - 24-25 November 2006

How amazing is our God!!!

Here is a testimony of Jesus Christ's great love and freedom through Cleansing Stream Ministries.

"When I was born my mother had a complete breakdown which resulted in her attempting to take her own life. Thankfully she was unsuccessful, however my family blamed me for what happened.

God placed a very special Aunt in my life who became my Godmother and took care of me.

I had never known my mother to hug me or say that she loved me until I was 30 years old and

she never has said it again.

God revealed to me that my mother was a victim of rape. She has kept that secret for 39 years.

Now I am free! Jesus took it all for me when He died on the cross and I released it all to Him. I now thank God for my Mum because now I know she did love me. ***She loved me enough not to abort me but chose to give me life knowing where I came from.***

I have such a wonderful Father God. He has truly blessed me abundantly."

### PASTOR'S RECOMMENDATION

Cleansing Stream has certainly taught and helped all the participants in my church to build a strong foundation of the truths of God in their lives. It has also taught them daily disciplines like putting on the armour of God, reading and meditating on God's word, worshipping and praying as a lifestyle. All participants have also become more spiritually aware. The retreat was an eye-opening experience for all participants with a common response "It's awesome!".

I highly recommend Cleansing Stream Ministries to all Christians both young and mature.
